

Common Events Class of 2012 Spring 2010

Seminar 4: The Future of New York City

As University Scholars, you are required to attend the Common Events for your Seminars during each semester. In Seminar 4 you may choose which Community Voices event you wish to attend, unless you are assigned one by your instructor; everyone participates in the Sophomore Forum and in the culminating Conference. See the Macaulay Honors College web site for more information. Please mark your calendars for these Spring 2010 events.
