

CENTRAL PARK

**CENTRAL PARK
CONSERVANCY**
central to the park

MACAULAY
HONORS COLLEGE AT CUNY

24-hour Mission to Find Every Species in Central Park

3:00 pm on Monday August 26 to 3:00 pm on Tuesday August 27

Thank you for being a part of the Central Park BioBlitz! Your participation will help us collect an unprecedented amount of information on the biological diversity of the Park. This survey will give Macaulay students a unique experience in one of the world's most extraordinary public parks, provide data to enhance the management of Central Park by the Conservancy and educate the public about the Park's landscape and wildlife.

Emergency Procedures:

1. In case of emergency, dial 911.
 2. Once 911 has been contacted, your Central Park Conservancy host will communicate the emergency to a supervisor over the radio.
 3. Then alert BioBlitz headquarters: 347.871.6480.
- * For all non-emergency situations, call BioBlitz headquarters: 347.871.6480.

NOTE: Rock ledges and outcrops along Central Park West (from 81st Street to 110th Street) and the Transverse Roads should be avoided at all times.

Map Key

- | | | |
|-------------------------|-------------------------------------|--|
| ★ Event Headquarters | Restrooms / Closed Winter | Park Drive (shared by pedestrians, bicyclists, and vehicles) |
| ★ Event Field Station | Visitor Centers | Transverse Roads (for vehicles only) |
| Off limits at all times | Information Kiosk (open seasonally) | Pedestrian Paths (for pedestrians only) |
| Off limits after dark | Playgrounds | Emergency Call Boxes or Dial 911 |
